

If you have been waiting to install a new water heater or furnace,

NOW IS THE TIME!

Liberty Utilities is offering a rebate to our residential and small business Missouri customers on the purchase of high-efficiency Energy Star® natural gas home heating and water heating equipment.

You can get up to **\$450** for installing
a new water heater or furnace!

Download a copy of the Missouri high-efficiency
rebate form on our website.

For questions regarding the rebate process,
call EFI at **1-877-333-9965**

Let us pay **YOU** to lower your energy bills!
