

If you have been waiting to install a new water heater or furnace,

## NOW IS THE TIME!

Liberty Utilities is offering a rebate to our residential and small business Missouri customers on the purchase of high-efficiency Energy Star® natural gas home heating and water heating equipment.

You can get up to **\$450** for installing  
a new water heater or furnace!

Download a copy of the Missouri high-efficiency rebate form at  
[www.libertyutilities.com/central/missourirebate](http://www.libertyutilities.com/central/missourirebate)

For questions regarding the rebate process,  
call EFI at **1-877-333-9965**

Let us pay **YOU** to lower your energy bills!

You can earn up to **\$5,000** for making  
your home more energy efficient!

ENERGIZE  
LIBERTY UTILITIES  
HOMES

Let Liberty Utilities arrange for a certified home energy analyst to perform an evaluation of your home. You could receive rebates and incentives to cover the cost of your analysis, make your home more energy efficient and offset the cost of bettering your home for years to come.

Forms and information are available at  
[www.libertyutilities.com/central/MoEE](http://www.libertyutilities.com/central/MoEE) or call 1-877-474-6749
