

Missouri Customer Handbook

Natural Gas

Welcome to Liberty

Thank you for establishing service with us.

At Liberty, our customers are at the heart of everything we do. Local teams deliver an exceptional customer experience while always prioritizing safety and reliability. Liberty delivers natural gas service through our network of underground pipelines, providing you an economical fuel choice for home, business, and industrial use. Liberty's commitment to our communities includes investments that help ensure safety and reliability for your home and business today and in the future.

For more information about Liberty, visit libertyenergyandwater.com.

Copies of price schedules and general rules and regulations are available at libertyenergyandwater.com. This booklet is being provided in accordance with state commission rules.

How to Reach Us

Our Contact Center is available for routine service requests and inquiries from 8 a.m. to 6 p.m., Monday through Friday, by calling:

1-855-872-3242

To report a gas leak or emergency 24/7:

1-855-644-8134

Accessing Your Account Information Online

You may also access information about your account by visiting libertyenergyandwater.com and signing on to My Account or by downloading the Liberty My Account mobile app from your device's app store. My Account offers the easiest way to view your Liberty account from anywhere. Follow the simple steps to register and begin accessing your Liberty account information right away.

My Account offers a variety of tools to better understand your usage and account.

- View and pay your bill from the device of your choice, including your mobile phone through the Liberty My Account mobile app.
- Choose your account notifications – email and/or text message – and how and when you want to receive them.
- View up to 13 months of your usage with easy-to-read graphs, helping you better control your usage and save on your bill.
- Access, view, and print past bills.
- Go paperless – Paperless bills are a convenient, secure, and environmentally friendly way to view and pay your monthly bills. They contain the same information as your paper bills but are delivered to your email inbox instead of your mailbox.

Bill Payment Options

Pay By Mail

Return envelopes are included with your monthly bill. When paying by mail, allow at least 7-10 business days for delivery and posting.

Automatic Payments

When you choose Automatic Payments through your paperless billing account, your payment is automatically deducted from your bank account. Your monthly bill will show the exact amount and date your bank account will be debited.

Levelized Budget Billing

LBB allows you to pay a more uniform amount each month throughout the year. You pay an average each month based on your annual gas usage. This allows you to maintain control over your budget and to avoid paying large winter gas bills.

Paperless Billing

Paperless bills are a convenient, secure, and environmentally friendly way to view and pay your monthly bills. They contain the same information as your paper bills but are delivered to your email instead of your mailbox. And just like your paper bills, you control your payments – but with a click of a mouse.

Pay By Phone/Pay Online

Phone in your payment by calling 1-855-872-3242 and following the prompts, or you can pay online at libertyenergyandwater.com. This feature utilizes an independent service which allows you to pay using a credit or debit card or electronic check. No additional fees are assessed for this service. Limit of \$600 per transaction for residential.

Pay In Person

You may pay in person at one of our independent, authorized payment centers. For a list of authorized locations, please visit our website. A fee may be charged by our independent providers.

Starting and Transferring Service

You can start new service or transfer your current service to another location by calling our Contact Center at 1-855-872-3242 or by completing a request form available on our website, libertyenergyandwater.com.

Please contact us at least two business days in advance to schedule the start of your service; this does not include weekends or holidays. Identification may be required.

A deposit may be required for customers who have unsatisfactory or insufficient credit, in cases where tampering or diversion has occurred, and when there is a history of delinquency. Deposits may be billed in installments in some cases. The deposit, plus interest, will be returned when:

- You establish a suitable credit history (residential only); or
- Your service is discontinued and the amount of your deposit is greater than the balance due to Liberty.

Stopping Service

If you need to discontinue your service, please call our Contact Center at 1-855-872-3242 or complete a request form available on our website, libertyenergyandwater.com. Arrangements must be made at least two days in advance, and you must provide an address to receive your final bill.

Special Services

Community Energy Assistance Program (CEAP)

CEAP is an assistance program created to meet emergency energy-related expenses of the elderly, customers with disabilities, and low-income customers. CEAP is funded through voluntary donations and matched by the company. To donate, simply make a selection on the back of your payment coupon to add any amount to your monthly payment or visit our website for more information. All donations are tax deductible. CEAP is administered by third party community action agencies.

Understanding Your Billing Charges

Delivery Charge/Facility Charge/ Customer Charge

A fixed monthly charge covers costs to meter and bill your account and provide customer service.

Distribution Commodity/Monthly Rate

This portion is billed for the cubic feet of natural gas used.

Purchased Gas Adjustment (PGA)

This is the cost the company pays to purchase natural gas on the open market, plus the transportation and storage services fees. It also reflects any under- or over-collection of actual costs in the previous period. Liberty does not earn a profit on the price of gas, only on its delivery. The PGA accounts for about two-thirds to three-fourths of a winter bill.

Franchise Fee

This fee is a tax levied by local municipalities, which the company collects and passes on to those respective cities. Applicable state and local taxes are also charged.

ISRS

The Missouri Infrastructure system replacement surcharge is a set, monthly charge that recovers a portion of the expenses that the company must incur to maintain and upgrade its systems and to relocate facilities in connection with local, state, and federal public improvement projects and safety requirements.

How To Read Your Meter

Some of the hands on the dial of your meter move in a clockwise fashion, while others move counterclockwise. All move from the lowest number to the highest. To read your meter, simply write down the number where the dial is pointing. When the hand is between numbers, use the smaller number.

This meter read: 5935

The company also utilizes digital meters. Their readout is much like a car odometer.

Estimated Meter Reading

The company tries to read each customer's meter each month. However, sometimes it is not possible and estimations must be made. Any variation between a customer's actual usage and the estimated usage will be corrected the next time the meter is read.

Disconnection/ Reconnection of Service

Your bill is due upon receipt and a delinquent date appears on your monthly statement.

To avoid service interruption, call immediately if you cannot pay your bill on time, if you receive a disconnection notice, or if there is any problem with your bill.

If you find you cannot pay your entire bill, please contact us for a mutually agreeable installment plan.

Although we do not routinely disconnect service without advance notice, there are times when we must for health, safety, emergency, or maintenance reasons, or when someone has tampered with our equipment.

We will turn your service back on after the cause for the disconnection has been corrected. Service will be restored the same day, if possible, but no later than the next working day if the issue was an outage or company error.

If a customer refuses to allow Liberty to access Liberty equipment installed on their premises for the purpose of inspection, meter reading, maintenance or replacement, we may discontinue service.

Natural Gas Safety

Natural gas is odorless and colorless. As a safety precaution, a sulfur-like odor, which smells like rotten eggs, is added to help identify gas leaks.

If you suspect a gas leak, never use matches or candles to look for a leak, never turn on or off any electrical switch or appliance, do not use a telephone inside of the building, and get everyone out of the building. Use a phone away from the location and call 1-855-644-8134.

For more information about natural gas safety and Excess Flow Valves (EFVs) visit libertyenergyandwater.com.

Customer Responsibility

Although the company inspects a customer's exposed gas piping and connected gas equipment, it is the customer's responsibility to maintain their gas piping and connected equipment downstream from the gas meter.

Customer Inquiries

If you have any questions or concerns about your gas bill, please call 1-855-872-3242. We will work to find a solution to your concerns. If you are not satisfied with the resolution we offer, you may contact:

Missouri Public Service Commission

PO Box 360 • Jefferson City, MO 65102

1-800-392-4211

Office of Public Counsel

PO Box 2230 • Jefferson City, MO 65102

Energy Efficiency

We offer a variety of energy efficiency tips and rebates for both residential and commercial customers. Visit our website, libertyenergyandwater.com for program details and tips specific to your home.

Call Before You Dig

Before you plant a tree or build a fence, make sure you know where your underground utilities are located. We encourage customers to dial 811, the nationwide one call system, or Missouri One Call at 1-800-DIG-RITE (1-800-344-7483).

This is a free service provided by Liberty and other local utilities. This single call allows customers to avoid the possibility of a serious injury or expense of repair costs for damaged utilities.
