STOP a Scam

1. Always ask for a photo ID from anyone knocking at your door.
2. Ask anyone claiming to be a representative of Liberty Utilities to verify these options:
 - What is my service address?
 - What is my billing address?
 - What is my utility account number?
 - What is the phone number associated with my account?
3. Unless you have enrolled in secure Paperless Billing, Liberty Utilities will never request payment by email.
4. During any phone or online survey, Liberty Utilities and our approved partners will never ask for your Social Security Number.
