Big trucks & safety fun!

Jacob and Dane, from Liberty's construction operation team, attended Hannibal, Missouri's "Big Truck Night." They brought Liberty's dump truck and mini excavator for kids to explore.

"We handed out candy and shared gas safety information," said Jacob. "We had around 1,200 kids attend. It's a good thing we brought a lot of candy!" The event promotes fun and safety while familiarizing kids with first responder vehicles.

Don't be scammed

It's easy to mistake a scam call for a legitimate communication from your utility provider. Here are some red flags to identify a potential scam:

- Request payment using a prepaid credit card
- Demand immediate payment

Less time budgeting – more dance parties

With Budget Billing, avoid fluctuations in your bill by spreading payments over the year. Less time budgeting means more time for impromptu dance parties!

You can also save money with these energy efficiency tips:

- Lower your water heater temperature setting to 120°F.
- Wash your clothes in cold water.
- Inspect your heating equipment. Replace old, outdated appliances with energy efficient models.

If you find yourself with unexpected expenses and need help paying your utility bill, we're here for you. We offer:

- Flexible payment options
- Access to financial assistance programs and resources
